Re: Application No. 09/920,674
Nathoo, Salim

Dear Mr. Ostrup:

Pursuant to our conversation on September 30, 2002, we make the following response to

your action of 9/11/02. We will abandon Claims 14 through 18 and substitute a new process

Claim 14 based on Claim 1. In the attached Claims, the Claims 14 through 18 are in bold letters and bracketed. The new Claim 14 follows the abandoned Claims.

Very truly yours.

Abraham Wilson
